Mr. Jan Pastwa
Director of
National School of
Public Administration (KSAP)

Dear Mr. Director,

On behalf of the staff of Odessa Regional Institute for Public Administration of the National Academy for Public Administration under the President of Ukraine I would like to sincerely congratulate you on the 25th anniversary of your institution. During a short period of our cooperation, we had the possibility to realize that KSAP is a leading institution for civil servants' training in Poland, which has a high prestige both domestically and abroad.

On this solemn day I would like to wish you and your staff inspiration, enthusiasm, new achievements and further success in professional training of the administrative elite.

It would be an honor for me to participate personally in the celebration of KSAP anniversary, but unfortunately, entrance exams in our educational establishment do not allow me to take your gracious invitation.

At the same time, I would like to assure you, dear Mr. Director, that our institute appreciates partnership relations with your esteemed organization and will make every effort for their further development.

Yours sincerely,

Director
Mykola Izha
